## Explanation of Reservation Form

This form has two purposes. First, for the client that knows exactly what puppy they want, and would like to give MMK all the information to make a reservation in their name for that puppy. Second, for MMK to convey to client when a reservation has been made in their name.

We reserve 1<sup>st</sup> and 2<sup>nd</sup> pick in all color and gender combination in all litters generally until the pups are sold. The priority of these high pick pups is for the following purposes: 1) MMK breeding stock, 2) Training clients, 3) Clients who are purchasing breeding rights for their pup. If you fit in one of these categories make sure that is clear on your reservation form. MMK reserves the right to grant first or second pick to whomever it wishes, for a variety of different reasons.

We sell all puppies with a limited registration, which means you will not be able to register their off-spring without our permission. If you would like to buy a puppy with a unlimited registration, the price is \$800 in addition to the cost of your puppy. It will also require that you sign an agreement to get your dogs hips, elbows, eyes tested, and that you do some genetic testing to assure your dog is free from EIC, PRA and CNM. We will help you through this process if necessary. If you chose to use Marble Mountain Kennels as your breeding partner, we will forgive 50% of this cost in the first partnership litter. When MMK partners with a client in a breeding we assume 50% of the costs and expect 50% of the profit. We also manage the breeding and the sale of the pups. (Ask for more information if you would like to consider this option).

Puppies are reserved by sending either a Puppy Reservation Form or a Puppy Preference Form or and a \$300 non-refundable deposit check. If you want an immediate reservation you can send this form via email as a word document (preferred) or a scanned document to both [pete@mmkennels.com](mailto:pete@mmkennels.com) and [julie@mmkennels.com](mailto:julie@mmkennels.com) . This will hold your reservation for 10 days, while your deposit check and included Puppy Preference Form comes via snail mail. It is always a good idea to hold onto a digital or hard copy version of your Puppy Preference form.

If for some reason the customer decides to not take their puppy prior to the puppy being born, then a refund of this deposit may be permitted based on the discretion of Marble Mountain Kennels. Once the pup is born, a commitment will be confirmed and a refund should no longer be expected.

Thank you very much for your confidence in our breeding program,

**\*TRAINING:** We charge \$1000 for our 6-week “Super Citizen” basic obedience program and \$900/ month for advanced training. These options allow you to have a little higher chance of getting a first- or second-pick pup, if it becomes available. Also, if you have your puppy’s training starting at 8 weeks old in our Super Citizen program, we will likely complete all vaccinations (except rabies) and worming requirements for your pup (a value of about \$200).

**\*\*UNLIMITED REGISTRATION for BREEDING:** Getting an unlimited registration costs \$800 more and requires that you agree to obtain all necessary health checks before breeding. This option may allow you to potentially have a higher chance of getting a first- or second-pick puppy, if available. Furthermore, MMK sometimes agrees to partner with selected clients in breeding arrangements. In these cases, 50% of the breeding price is refunded.

Unless otherwise specified, I agree that I will be given a limited (non-breeding) AKC registration and will agree to get my dog fixed prior to its 2<sup>nd</sup> birthday.

I agree with the conditions stated above in the Puppy Preference Form and understand that my deposit check is non-refundable. Electronic signatures are permitted.
