Breeding the best...to produce the finest

Puppy Reservation & Policy Form

Puppies are reserved with a \$200 non-refundable deposit. When the owner makes the deposit, the date will be noted and he will be notified of his picking order. An immediate reservation can be made by FAXING this filled out form and a copy of the check to 530-467-5328. At that point your reservation will be held for 10 days to allow the original form and check time to make it via snail mail. Upon sending in the deposit, all owners should submit a preferred color and sex of the puppy, and if they desire, they can make their deposit conditional on this preference or any other preference being fulfilled. If for any reason he decides not to take a puppy at least one month prior to the pup's adoption date, the deposit can be transferred to another pup to be purchased within one year of this original litter. Without notification 30 days in advance, Marble Mountain Kennels has no obligation to return a deposit. If for any reason the cancellation of this pup causes the breeder additional expenses, he has the right to deduct this expense from the deposit. The form below should be submitted with each deposit to help the breeder make a good match with the buyer's desires.
